

Country Fair Food Vendors

The Southlands Country Fair has a variety of food vendors every year. On a sunny day we have an attendance of approximately 8000 people. On a rainy day attendance is approximately 3000 people

We make sure that the food vendors are evenly distributed throughout the fair grounds. Most of the food vendors are located outdoors rain or shine.

We are able to supply power, water, and flooring. It is your responsibility to provide a tent.

The food vendor gives back 10% of their gross profits to the Country Fair

If you wish to be a food vendor please fill out the FOOD vendor contract and mail, fax, or email it to Southlands Riding Club.

If you have any questions about being a food vendor at the Southlands Country Fair please contact Pippa Emrick at pippa@pippa.ca
