

Southlands Country Fair
Non Profits Tables

Welcome to Southlands Country Fair 2010! We would love to have you be a part of the Non Profit Tables this year.

Country Fair will be Sunday September 12th this year and is held at the Southlands Riding Club - 7025 Macdonald Street – rain or shine! There is no charge to have a Non Profits Table, however we do request that you please bring your own tables and chairs that you will require. If the weather is sunny your table will be located outside. Please note that there is no shade, if you require shade for any animals you may bring we request that you please also bring this with you. If the weather happens to be rainy we will have the Non Profits located in the covered portables.

Non Profits Tables do not require any insurance for the Southlands Country Fair. We welcome you to bring information to share about your organization along with any displays, animals, or set up you would like. A brief description of what you intend to include would be appreciated. Non Profit tables are restricted from selling any goods, however it is permitted for Non Profits to hand out free promotional goods and also to accept donations from the visiting public while at the Fair.

Set up on the day must be completed by 9am, there may be no vehicles on the property after this time. On arrival you will be met and given your location to set up in.

If you would like to see more information about what Southland Country Fair is about please visit our website at
http://www.southlandsridingclub.com/Country_Fair/countryfair2.htm

If you are interested in being a Non Profit Organization at a table of ours this year please fill out the following form and email it to
dbailey5@shaw.ca

We look forward to hearing from you and seeing you on Sunday September 13th! Please feel free to contact me if you have any further questions.

Sincerely,

Debbie Bailey
