

## MEMBERSHIP ID TAGS

We are issuing membership ID disc tags for the new membership year. They are now ready for pick up in the office. Please note that when riding at the club you must display this blue disc tag. All members that have renewed their membership for 2011/2012 should have these displayed no later than December 15th.

## Membership Dues are (Over)due!

The SRC membership year started November 1, so members who have not renewed their memberships should not be using the facilities. Reminder notices have been posted at the Club entrances and in the Clubhouse. For those who have not yet paid, Club policy is that paying dues after December 1 will result in a surcharge of \$50, paying after January 1 will result in a surcharge of \$100, and in order to renew membership after February 1 members will have to pay the full re-initiation fee.
