EC SPORT LICENSING 2024

SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

DISCONTINUED TEMPORARY LICENCES:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events.

AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2024: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a designated coach can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form.

“ When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments. ”

EQUESTRIAN CANADA STATEMENT OF PRINCIPLES

Equestrian Canada (EC), the national equestrian federation of Canada, supports adherence to the humane treatment of horses in all activities under its jurisdiction.

“Equestrian Canada is committed to: upholding the welfare of all horses, regardless of value, as a primary consideration in all activities; requiring that horses be treated with kindness, respect and compassion, and that they never be subjected to mistreatment; ensuring that owners, trainers and exhibitors, or their agents, use responsible care in the handling, treatment and transportation of their own horses as well as horses placed in their care for any purpose; providing for the continuous well-being of horses by encouraging routine inspection and consultation with health care professionals and competition officials to achieve the highest possible standards of nutrition, health, comfort and safety as a matter of standard operating procedure; providing current information on Code of Practice for the Care and Handling of Equines and other equine health and welfare initiatives; continuing to support scientific studies on equine health and welfare; requiring owners, trainers and exhibitors to know and follow their sanctioning organization’s rules, and to work within industry regulations in all equestrian competition; and reviewing, revising and developing competition rules and regulations that protect the welfare of the horse.

The standard by which conduct or treatment will be measured is that which a person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.”
